

In 1995, we were founded as the LPGA Urban Youth Golf Program Association. Our goal was to make golf affordable and accessible to kids in the City of Wilmington.

Since then, we've become a part of the First Tee's network of over 150 chapters, and we've grown to offer programs throughout Delaware and parts of Maryland.

To recognize our founding, we've created the **1995 CLUB** to help ensure our programs will continue to grow for the next 30 years and further.
