Celebrating 30 years Empowering Youth and 20 years of Building Game Changers.

In 2005, we became part of the First Tee National Network. Prior to joining First Tee, from 1995 through 2004, we served our youth as the LPGA Urban Youth Golf Program Association.

Now, with three decades as a non-profit youth development organization, First Tee — Delaware impacts the lives of over 32,000 kids & teens annually. Located in schools, community centers and on golf courses, we provide safe, fun and educational programming that is accessible to all.

Together, we can open doors to opportunity, leadership, and lifelong success.
