23 years ago, we teed it up for the kids of Delaware — and never looked back !

In proud partnership with the City of Wilmington and the Office of the Mayor, First Tee – Delaware has spent 30+ years turning fairways into futures for over 33,000 kids and teens across our communities. The Mayor's Cup has been driving that impact for 23 powerful years.

Our 2026 honorary chair, Jeff Rogatz, has more than 30 years of industry experience in Real Estate Investment Banking. He brings a lifelong passion for golf — one sparked not through formal lessons, but through cherished rounds with his father and grandfather. That personal connection to the game gave him a front-row seat to the life lessons golf teaches; integrity, perseverance, and confidence that carry into adulthood. It's exactly why Jeff champions a future with no boundaries for our youth — opening doors to opportunity, confidence, and a future young people deserve!

We're not just building golfers . . .

We're Building Game Changers — and We Need You on the Course!
