More Than Golf!

Help Us Keep Every Child in the Game!

Annual Appeal 2026

Golf showed me that I can focus. I try my best to take that confident head-space to the classroom. In school, the last two years, I've gotten mostly A's, and that's been a great accomplishment for me.

Sara, age 17

You've seen moments like this in your own family:

The tough putt that makes a kid stand a little taller, or the lesson from a bad hole that shows up weeks later from a hard day at school.

That's what First Tee – Delaware is about. Building character and confidence that last a lifetime.

And right now, we need your help to make sure every child in within our region can have that experience.
